2016 Learn at the Loaf

Meet our Guest Speaker...

Dr. James A. Oshetski earned his Doctorate in Dental Surgery from the University of Maryland Baltimore College of Dental Surgery and completed a General Practice Residency program at the Baltimore Veteran's Affairs Medical Center (VAMC).

After completing his residency, Dr. Oshetski was invited to serve as the clinical supervisor of the General Practice Residency Program, where for many years he provided lecture and clinical supervision to GPR residents in the surgical and prosthetic aspects of implant rehabilitations.

Dr. James A. Oshetski

Dr. Oshetski has taken his expertise to Maine where his digitally-driven dental practice focuses on advanced restorative, sedation and dental implant rehabilitations. In his extensive VAMC and private practice experience, Dr. Oshetski has placed and restored thousands of dental implants. Dr. Oshetski is a nationally recognized expert in implant dentistry, achieving Diplomate status with the International Congress of Oral Implantologists, Fellowship with the American Academy of Implant Dentistry, and Diplomate status with the American Board of Oral Implantology/Implant Dentistry, a credential bestowed to only 400 dentists worldwide since its inception in 1969.

Dr. Oshetski is an active participant in many dental societies and lectures nationally on multiple topics including: digital technology, complication management, anterior esthetics, and full-arch rehabilitations.

Dr. Oshetski is an active member of various organizations including...

- American Board of Oral Implantology/ Implant Dentistry (Diplomate)
- International Congress of Oral Implantologist (Diplomate/Fellow)
- American Academy of Implant Dentistry (Fellow)
- Academy of General Dentistry (2016 Fellow)
